

Strategic Plan

2021-2024

St. Petersburg Christian School

Goal 1: St. Petersburg Christian School will continue to seek additional opportunities to further the vision of the school by serving as a lighthouse to the City of St. Petersburg.

Objective: To meet the needs of the community in various ways

Strategies:

1. Provide an excellent educational option in the City of St. Petersburg
2. Create diverse learning, extracurricular, and enrichment opportunities
3. Develop leaders through athletic & intramural programs
4. Commit to serving the community through a variety of charitable events

Goal 2: St. Petersburg Christian School will seek to continually improve our instructional programs to meet the needs of 21st Century Learners.

Objective: To meet the demands for increased technology in an educational setting

Strategies:

1. Integrate instructional technology through all curriculum & content areas
2. Implement more personal device technology to empower students in the learning process
3. Ensure that staff & faculty are trained to meet the demands of an increasingly technological society

Objective: To provide an excellent education for all students

Strategies

1. Identify and implement best instructional practices for increasing student progress
2. Differentiate instruction to meet the needs of all learners
3. Monitor student progress and develop plans for students not meeting expectations

Goal 3: St. Petersburg Christian School will continuously seek new ways to promote & maintain a safe & nurturing environment and facilities.

Objective: To insure the safety of students and staff physically, emotionally, & mentally

Strategies:

1. Maintain and update facilities and equipment to insure safety of students, faculty, & staff
2. Continuously review and evaluate policies & procedures to meet the demands of safety & security issues facing schools today
3. Train all staff in appropriate responses to various safety issues to insure maximum security & safety of all students and staff

Goal 4: St. Petersburg Christian School will promote an environment where students and staff are encouraged to develop & grow spiritually in their relationship with Jesus Christ.

Objective: To provide a Christ-centered atmosphere

Strategies:

1. Integration & application of biblical principles will continue to be implemented and evaluated across all grade levels, curricula, and extra-curricular activities
2. Provide opportunities for service to the SPCS community, city, and beyond by teaching the value of serving other & self-sacrifice
3. Promote Christian Character through continually recognizing students, staff, & volunteers who serve as an example to others
4. Provide professional development opportunities in Biblical Worldview for SPCS staff
