Headmaster's Message

SPCS Families,

As January closes I want to encourage you to complete your enrollment for the 2021-2022 school year. I am happy to announce that we already have over 30 new applicants waiting for their spot at SPCS. Thank you for spreading the word! With that in mind, PLEASE complete your enrollment as soon as you can. We will begin filling spots with new students on the 16th.

"And let us not grow weary of doing good, for in due season we will reap, if we do not give up."
Galatians 6:9

Have a great weekend!

Bobby Hunter

8th Grade Dissection Activity

Students have begun their chemistry studies and as part of understanding biochemistry, they dissected an earthworm during Science lab. Students explored the structure of the organism and learned how the organism's digest and process energy.

7th Grade Dissection Activity

Our 7th graders are participating in a hands-on, multi-day dissection learning starfish anatomy. As our students progress in their biology studies, they are implementing lab safety protocols as they discover the complexity of God's creatures.

2021 Track & Field Team

The first meet is Tuesday, February 16
at Calvary Christian.

Head Coach - Natalie Taylor
Asst Coach - Kaylyn Hannon
(Both SPCS Alumni)

Kierra A.
Cecilia A.
Bryson B.
Clara B.
Maiya B.

1st Grade Museum Exploration

First graders enjoyed brain-building play at the Glazer Children's Museum this week. The trip inspired thoughtful questioning, critical thinking, and pure imagination!

The Importance Of Prayer

The importance of prayer was discussed in Chapel this week and the students took time to write out their prayer requests!

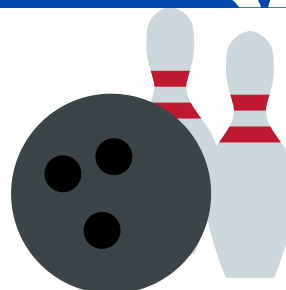

Bowling Team Selected

The 2021 Saints Bowling Team has their first match on Wednesday, February 3rd at Sunrise Lanes. Coach Densa and Coach Mullins look forward to a great season! Congratulations on making the team!

Laila Y.

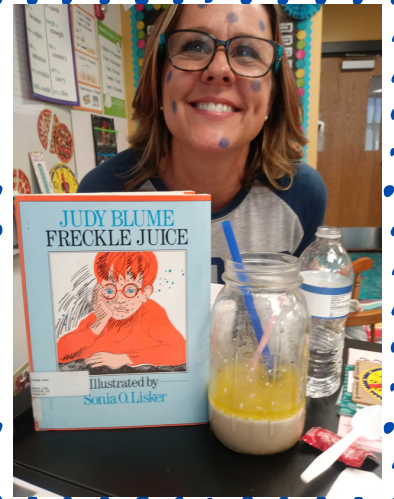

8th Grade Chemistry Lab

As the 8th grade students launch their chemistry studies, they are learning the differences between molecules, atoms, elements, and polymers. Using ball-and-stick model kits, students constructed molecules to see how many atoms were included in the molecule as well as the type of chemical bonds.

1st Grade Freckles

Mrs. Hunter's Class read Freckle Juice this week and look what happened when they made it on Friday...YIKES! Here is what was in it - grape juice, lemon juice, ketchup, mustard, olive oil, salt and pepper, mayonnaise, and onion!

SPCS  
the perfect match
