# THE SPOTLIGHT

*Official newsletter of St. Petersburg Christian School*

## Headmaster's Message

SPCS Families,

Another great week at SPCS draws to a close! Our boys' basketball teams kicked off their seasons and all went smoothly. I know that throughout the season they will represent our school with good sportsmanship and teamwork.

Please make sure you reference the email that was sent on Friday regarding some calendar changes. They are also highlighted at the end of this SPOTLIGHT edition. The next 2 weeks are full of fun activities celebrating our Savior's birth and special memories will be made.

With all that is happening in our world, remember..."Be devoted to one another in love. Honor one another above yourselves." Romans 12:10.

God bless,

Bobby Hunter

HOUR  
OF  
CODE

Hour of Code

is coming to computer class. It is part of a worldwide effort to celebrate computer science, to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science!

HOUR  
OF  
CODE

# 1st Grade Does Christmas Around The World

Over the next several weeks, 1st Graders will learn and experience Christmas traditions from around the world. This week they enjoyed Christmas crackers from England, yule logs from Italy, and decorated German Christmas cookies. It's a great start to the trip!

## 8th Grade State Floats

Eighth grade students researched a state and then designed and constructed a float to highlight the state's attributes. They shared what they learned with their classmates this week!

## 5th Grade Explores Space

Our fifth graders are exploring the solar system as they delve into their space unit. Students participated in a STEM lab and created constellations with pipe cleaners. Wonderful job from our future engineers!

# Basketball Season Kicks Off

Our Varsity Basketball Team kicked off their season this week against Pinellas Prep and Mount Moriah. The team dominated Pinellas Prep chalking up their first win and then won a very close one on Thursday against Mount Moriah. Both Varsity and JV play on Friday, watch for that update in next week's SPOTLIGHT.

## Classroom Elf Adventures

Several of our classrooms have a visiting elf and they make each day an adventure!

## ON THE AGENDA

Wednesday  
12.16.20  
Free

Wednesday  
12.16.20  
K-4 8:30am  
Main Parking Lot

Friday  
12.18.20
