

We would like to take a few minutes and introduce our company. We are a family-owned, local catering company that has been in business since 1983. Although we **are** a full-service catering company; the *heart and soul* of our business is in working with private schools. We are honored to partner with your school and feed your students. Our goal is to provide tasty, but nutritious and affordable lunches. Daily we provide both hot and cold meal lunch options, all which include a main entrée with sides and drink choice. We also have a variety of *a-la-carte* food and drink items to supplement your child's lunch needs. The monthly menus will be available for you on the school website, as well as our ordering system program www.saltwatercateringco.com

We look forward to getting to know your children, and you to know us and our program. As the year progresses, we will be able to tweak and adapt the program to tailor it to your school's needs.

You will have several purchasing options in order to purchase meals:

- All orders must be placed though our online ordering system, www.saltwatercateringco.com Orders can be placed daily, weekly, or monthly; whatever is most convenient for you. Accounts will be set for all of the current students/ families and you will be notified with logon information.
- Payments can be made **online** through our Pay Pal account from the website.
- If you wish to pay by check or money order: Please ensure that you make payment in advance. Must be made out to us: Saltwater Catering Co..... Place in a separate envelope and drop off at the school office.
All orders must still be placed through the online website, just forgo the payment option.
- *Your student must have a credit balance in his/her account to receive a lunch.* Charging of lunches against a negative account **will not** be permitted. We will not let any child go hungry, but in order for us to be better prepared to serve your students, please place the orders in advance online.
- For paying online: I recommend that you place at least \$25 on the account to get around the convenience fee, but you can also place more. This allows you to go into the website as often as you wish to place orders... daily... weekly... monthly...The charges will come out of the account as the lunches occur.
- Parents, please do your due diligence if your child has food allergies. We cannot be responsible for monitoring all of the food selections. If you have questions about specific products or meals please contact me at info@saltwatercateringco.com
- If your child is sick, or will not be at school and you need to cancel their order please contact me via email info@saltwatercateringco.com.
If current day please contact me no later than 9 am via phone/text at **727-418-1288**, otherwise charges will remain on the account.
- For any other questions, comments, or concerns please feel free to contact us at info@saltwatercateringco.com, or 727-418-1288.

We look forward to building relationships and serving the families of St. Petersburg Christian School.

Blessings,
Chris & Jessica Weldon
Saltwater Catering Company
