## Headmaster's Message

SPCS Families,

Thank you for joining us at Carrabba's on Thursday Night. It was nice to see so many smiling faces and spend time with our SPCS family outside of campus.

I want to remind you that we are now enrolling for the 2021-2022 school year and I encourage you to take advantage of the discounted re-enrollment fee that ends February 15th. We are blessed to have already received a significant number of new student applications across the grade levels and those parents will begin reserving enrollment spots on February 16th. Please guarantee your student's seat by completing your enrollment today!

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." Galatians 6:9

Have a great weekend!
