THE SPOTLIGHT

Official newsletter of St. Petersburg Christian School

Headmaster's Message

SPCS Families,

Thank you for a great week! Next week kicks off the second quarter and I am confident that the students will continue to do their best. Again this week, the SPOTLIGHT highlights their accomplishments and I am proud of the way each student does their part to make SPCS a great place to be!

Walking around campus I am reminded how fortunate we are to be back together! I am inspired by what I see happening in classrooms and what I hear they are enjoying from students. There is no limit to what can be accomplished at SPCS.

“But as for you, be strong and do not give up, for your work will be rewarded.” 2 Chronicles 15:7

Have a great weekend,
Bobby Hunter

Kindergarten Cookie Campaigns

The Kindergarten classes will hold their own election on November 2nd and campaigns have begun! They will be voting for their favorite COOKIE! Their teachers are very impressed with their campaign posters and reasons for "supporting" their choice!

Congratulations Honor Society Officers

Our NJHS Officers for 2020-2021 are:

President: Joan G.

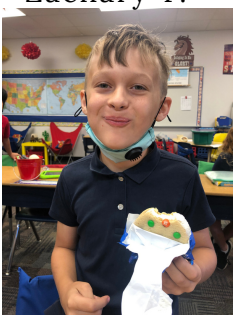

Vice President: Amelia R.

Secretaries: Kate K. and Kennedy W.

Treasurers: Mateo M. and Adriana C.

Zachary T. Peyton K.

The first 3rd graders to 100% fluency in 0-10 multiplication facts!

6th Grade Science Projects

Sixth graders demonstrated their Quarter 1 projects in Science class this week. As part of their earth science unit, students were able to create 3D models to show theories they are studying in class. The volcano demonstration was exciting today!

Phonics Chart Challenge

Miss Dorsett's and Mrs. Patterson's Kindergarten classes competed in a Phonics Chart challenge this week.

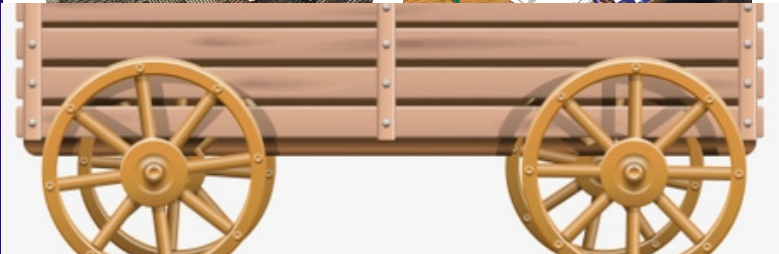

Each class is working hard to learn their charts and it showed in the tight competition!

Great work boys and girls!

3rd Grade S.T.E.M

The 3rd grade enrichment math students completed a STEM project in math this week. They had to design a wagon with limited supplies to help the farmer carry his pumpkins to market.

St. Petersburg Christian School Annual

PUMPKIN DECORATING CONTEST!

Wednesday, October 28th

OPEN

LIBRARY

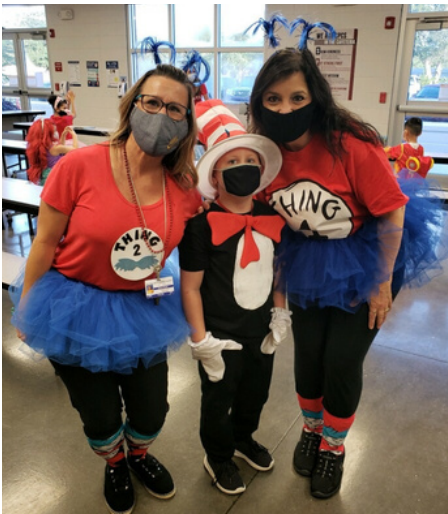

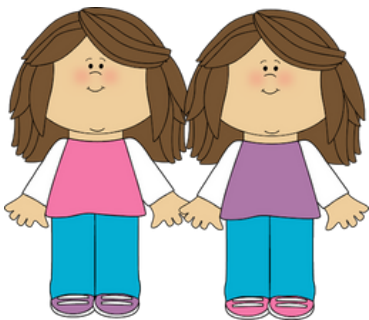

The library will open for 2nd quarter and we welcome Diane Grey to the team! She has been a substitute teacher here for the last 4 years and we are happy to have her on campus full-time!

Characters on Campus

Our first graders had their annual book parade this week. Each student chose a favorite book and dressed like a character in the book. They shared about their book with their classmates and then put on a parade for their Kindergarten friends.

Mrs. Knox's class celebrated their mastery of Phonics Chart 7 with a "tw" in day.
